The whole time when I'm having sex or acting, I'm being me. I guess you can see from my pictorial that I have a bigger butt than most Asians. I get a lot of looks and compliments because of it. It's very flattering and I've learned to use it to my advantage, as you can see here.

Yeah, my car broke down but that doesn't mean my pussy doesn't work. And no, I'm not paying him with it. I'm paying him with love, affection, and a gratitude that means I respect the job he did. In the meantime, I'm happy to suck his dick and let him eat my pussy. Then if fucking happens, it happens.

# *muffed in Macao*

## **It was five in the afternoon,**

Macao time. I walked over to the front desk of the new fab resort I was staying at and asked where a good nightspot was that I would have fun at later. I didn't want to go to anywhere too touristy. I wanted a real place, where there were few rich goofs from Asia flaunting themselves. I hate that. I wanted to be around people like me, real people. The resort receptionist told me about a yacht anchored in Nam Van Lake opposite all the hotels and casinos. There were tourists she said, but they mostly came on the weekends. The rest of the week was mostly locals, she told me.

Back in my room, I went through my closet and pulled out a cute little outfit that I thought would be perfect. I'm about 5' 2" with longish black and translucent white skin. I took out my highest heels and found a skirt that came down several inches below my butt. My blouse was a deep blue. I wore a half bra that pushed my boobs up to accentuate my cleavage. I looked at myself in the mirror. I thought my perky breasts looked quite provocative and my butt looked nice and round. I thought my outfit should be a bit more modest this first night out because I did not know who I would encounter. Cooped up all day in corporate meetings and seminars was not a good indication of what people wore to party. This is my last day in Macao before my flight to San Francisco tomorrow night.

"Miss Huan, may I call you a taxicab?" the hotel concierge asked with the slightest Chinese-British accent. "Yes please, that would be great." I replied.

I head out about 11 pm and the cab took me around the lake edge right to the yacht. The receptionist wasn't kidding; the crowd waiting to get on was not touristy at all. It was bright and a bit gaudy, but we were not leaving the dock. There was a big bouncer at the foot of the gangway with a small line waiting to pay and get on. The music was blaring so loud I could hear it clearly outside. A combination of reggae and funk right here on the Chinese coast. Good dance beat, I thought to myself as I went onboard. There were multi-colored lights all over the yacht and a concentration in the

middle that seemed to be set up as a dance floor. I worked my way around the tight aisles and tables and found the bar and ordered a drink.

I grabbed a stool sat down to look the place over. There were lots of people here. It was bigger than it looked from dock-side. I finished my first drink and it gave me the courage to head out to the dance floor. The open air with endless sky as the ceiling made this a different location than the typical dance club. Plus the slight sway of the boat made me think I

was drunker than I really was.

I made way to the dance floor. I easily picked up the beat and began to move to the music. The small floor was crowded and people kept bumping into me but no one seemed to mind and neither did I. I just had to get used to it because it was not gong to change. I lost myself in the music. I felt someone bumping into me from behind. It was kind of nice and anonymous so I took a step back and let my ass rub against them. The music ended and I thought the person behind me was

*I felt tingles travel along my spine  
and the longer we danced the more  
turned on I got.*

going to leave. Immediately a new song started, a little slower than the last and to my surprise I felt their hands move around my waist and as they leaned in closer, I felt boobs pressing against my back. A girl? I could smell her shampoo. I felt tingles travel along my spine and the longer we danced the more turned on I got.

The song ended and she tugged at my hips. I turned in time to see her back to me, leading me over to her table. I had not yet seen her face, but from behind she was pretty hot

looking. Long black hair, nice round butt and a long slow gait that made her glide across the floor. "So where you from?" she asked in a mild British accent, turning around so we saw each other for the first time. "California." I said. We made light conversation as we felt each other out. She said

her name was Lisa and she worked at one of the casinos. Out of nowhere she asked if I wanted to get some fresh air. I laughed because we were already outside. I said "Sure..." and we left the yacht.

We walked a few blocks along the lakeshore. The waves were quiet, but shimmered in ever-changing colors reflected from all the light across the way. "This can be very intoxicating," she said. She grabbed my hand and looked up at me. "What are you looking at?" I asked. "Oh nothing." She leaned in and kissed me. I was shocked. We walked for a while longer in an awkward silence and ended up in a picnic seating area. The moon was large and bright and turning to me, she pulled me over to her and kissed me again. This time I let the sensation last a little longer as it ran from my head to my toes. As I did, I began to feel her soft lips and even softer tongue exploring mine. I responded slowly and she was patient with me. As this was going on, I thought that perhaps I should have been more cautious about being with a complete stranger in the middle of night.

We stopped and looked around for a spot on the ground. She laid her maroon cape down on the grass and sat next to me. She undid my blouse and pulled my breasts out from the bra. Her warm breath against my skin sent waves of excitement up my spine. She flicked her tongue over my hardening nipples as her hands worked my skirt up past my hips. My panties were slipped off so quickly I did not even feel them come off. She didn't waste any time, I thought, and it was starting to make me a little uncomfortable. I grabbed her hair to pull her off, but I felt her press her face against my mound. I lost my thoughts as a tingling sensation swarmed my body.

---

*She flicked her tongue over my hardening nipples as her hands  
worked my skirt up past my hips. My panties were slipped off so quickly  
I did not even feel them come off.*

*After a few moments I slipped a couple fingers deep inside her and I felt her muscles squeeze tightly around it. I continued to lick and suck on her clit as I worked my fingers in and out of her sweetness.*

---

I had been with a couple girls before but that was college hi-jinx at USF, so I was not too uncomfortable with it being a woman down there. I looked down at her as she rested her chin right at the top of my slit. With a final look down she plunged her tongue into my wet pussy. My moans were lost in the warm humid night. As her tongue circled around my clit, never actually touching, I whimpered and squirmed. I was so horny, I wanted her to tongue fuck me, not tease me. Her tongue finally ran over my clit setting fireworks off in my body. I quickly slipped my fingers into her thick hair and began to grind my hips against her face. Faster and faster

out. She tasted delicious, sweet and salty at the same time. My tongue wagged wildly over her clit and plunged deep into her wetness like a little cock. After a few moments I slipped a couple fingers deep inside her and I felt her muscles squeeze tightly around it. I continued to lick and suck on her clit as I worked my fingers in and out of her sweetness.

Lisa writhed around like someone possessed and tightened her grip around my head with her thighs. She was going to cum. I licked harder and faster, her short pubic hair tickling my nose. I put a hand under her ass and began to massage her

she swirled her tongue over and around my throbbing clit until I exploded. My juices flowed freely into her mouth. She buried her face into my pussy causing my climax to go higher, and coat her face in my slick fluids.

My orgasm quickly faded and I sat up and rolled her over. I wanted to taste her! It was now my turn. I quickly removed her lacy panties. Her skin glistened in the moonlight and I went straight for her pussy. My nose was filled with her musky scent. I playfully licked her pussy lips and watched her squirm before slipping my tongue deep into her pussy. She tightened her thighs around the side of my head as I ate her

butt cheeks, adding to her fervor. I felt her hand grab a bunch of my hair and push hard. Her pussy began to spasm and her juices covered my fingers. She shuddered and spasmed and then her moans died out. I moved my way up her body and kissed her deeply, our juices mixing in our mouths.

We lay there for a while, gathering the strength to stand up. Once we did, we went back to the yacht and back out onto the dance floor. This time we danced face to face.

He noticed me and I tried to cover myself, to no avail. I decided to give in and gave him a better view so I turned towards him so everything was in clear view. He started to rub his cock. It was huge. He came over and bent me down to suck it. I took it all in and within minutes he came all over me.

I'm very selective when it comes to being with a man. I just can't settle for any man. He's got to be good in and out of his clothes; and in and out of bed. I don't want to be with a guy just to avoid being alone. It's an arduous task to find a good man and an almost impossible one to find a great man.

# JOB HANDLED...

.....

Hello, My name is Cliff, and I'm a 22 year old student going to night classes at the nearby community college. The economy made me lose my job, so I've been trying to reinvent myself. So now I'm in night school in a finance class. The class met at 7 pm and was pretty small. There were about ten students total, so everyone knew one another. And that is when I met Louise. She was about 30 years old with good looks and brains. She had lost her job and was looking to find another way to make a living, too.

Three weeks into the course I still had not really spoken to her. One night she walked into class late with high-heels and a tight little black dress. I almost came right there and fantasized about her the rest of the class. In the next class we somehow began talking and shared stories about our past jobs and past spouses. Over the next few days we kept chatting in class, on breaks, and after class. She eventually told me she was married, but her husband was very boring and she even cheated on him two years ago. I didn't know if that was a cue but I let it drop – for the moment.

Then, one Wednesday night I asked her if she would consider going for drinks with me after class. She quickly told me that she would love to go. I asked her about her husband, and she told me that he

would be back in a month, so now is the best time.

We were sitting at the restaurant's bar. We each had two drinks and began going on about pretty much everything. She began massaging and rubbing my back lightly as we talked. She rubbed her hands against my arms and gently began brushing her finger tips against my hair and neck. This turned me on and I wasted no time in gently returning the favor. I positioned myself to be able to look her in the eyes when she gave me a light smile and moved her lips in my direction. Our lips touched slowly and we began making out. I suggested we go out to the car and quickly left the bar.

She told me that we could not have sex. She promised her husband. But she knew how excited I was and she would gladly jerk me off. I leaned against the car and she unzipped my pants. She leaned into me and pulled out my throbbing cock. I felt the coolness of the air and the warmth of her hand. She deftly moved her hand up and down my cock, tightening at just the right time and playing with the head on every other stroke. I pulled my balls out and she began rubbing and pinching them. I threw my head back and let my groin take it all in. I came right there and watched as the squirt hit the car's ceiling. We laughed and I asked if I could return the favor sometime.

– Kevin... Wishing I had a convertible

## BEDROOM BABES...

It's late June and the basketball playoffs have ended for another year. The champion was once again crowned and the losers forever forgotten. The party I had just hosted was winding down. Almost all my friends and neighbors have gone home and I'm stuck cleaning up the mess that we had created through a night of yelling and drinking. I'm picking up red plastic cups and beer cans littered around my house and slowly making my way upstairs thinking why should there be any trash upstairs?

I stumbled up the stairs, trash bag in tow, and thought I heard moaning coming from one of the bedrooms. Slowly, I got closer to that door. I paused and put my ear to it and listened. What I heard, I could not believe. I quickly became excited and noticed that my cock had hardened listening to the female voices. I peered through the small crack. The room was pitch black yet I was so fixated on finding out who the two were that I pushed the door more open and stuck my head further into the dark room.

I reached into the room and fumbled around the wall for the light switch, finally flicking it making the room bright with light. What I saw left me completely awe shocked. Two beautiful female bodies sitting up in the middle of the bed, their legs and bodies intertwined. Instantly I recognized them. The blonde was Gina, a well known lady in the neighborhood. The other, whom Gina was embracing, was Valerie, an-

other neighbor who we all thought was a quite conservative. Her hair was black and curly, her breasts were less developed than Gina's but equally as perky and hot. I stood there watching the two make out for another moment with the lights on, almost as if they didn't notice.

Then I heard one yell at me. "James! What are you doing? Leave us alone!" Not knowing what to do, I replied, "I'm just cleaning up." I raised the trash bag full of beer cans and pizza boxes as if to validate my actions. By now, Valerie was completely mortified. She grabbed a sheet and covered her bare breasts. I slowly started towards a stack of empty plastic cups and beer cans at the foot of the bed. The two ladies sat up on the bed, arms crossed, waiting for my departure.

I noticed a couple empty water bottles on night stand next to the bed. I slinked over to pick them up. "I'll turn the light off again." I said sadly, knowing my little adventure would soon be over. As I flicked the switch off I stood in the doorway, slumped over like I just lost my best friend. "Okay, James. Come back and play with us." I heard Gina say. "Really?" I asked. No reply, so I dropped the bag, ran into the bathroom to wash up and flew back into the bedroom. Valerie, after a reassuring look from her lesbian partner, lowered the sheet covering her fine boobs and gave a wry smile. She crawled across the bed on all fours towards me and my hard dick.

My throbbing member shot into the air as Gina

As I flicked the switch off I stood in the doorway, slumped over like I just lost my best friend. "Okay, James. Come back and play with us."

pulled my boxers down and began to gently stroke the whole length of it. She pressed her lips against mine, and we started swapping spit. Our tongues rubbed against each other's. I found myself face-to-face with Gina's full boobs. She had puffy, pink nipples of perfect size and shape, and I couldn't help but place my mouth on one. She moaned with pleasure as my increasing erection pressed against her body.

"I need to see this cock of yours!" She said as she pushed me back once again and went down on me. Before I knew it, she was stroking my dick with both hands. "I never knew it'd be this big, Bob. I've never seen a cock so large!" She exclaimed with pure sexual excitement. She placed her lips on the head before opening her mouth and putting it in her mouth. I moaned softly with pleasure as her saliva covered my dick and as she started sucking, she continued to stroke vigorously with both hands.

After a few minutes, she positioned herself above my cock and Gina held it as Valerie sat down on it. "I've never actually had a cock so big in me, so please be gentle." She gasped with pleasure as shock traveled through her body. Her insides were unbelievably wet and tight, squeezing my dick with every bounce she took. After a while, she twisted around in a reverse cowgirl and bounced on my penis some more. While she worked my cock, Gina was busy licking up and down Valerie's wet pussy lips. And then an idea popped into Gina's head; she went right for Valerie's asshole. She licked it in circles dipping her tongue in and out of the tight hole.

Valerie responded by shooting her butt higher into the air as she rolled her own tongue around the purple head of my dick. I felt the inevitable feeling of a orgasm coming on. "Slow it down, Valerie. I have to save something for Gina." I said. I pushed her off before I came and immediately I felt Gina's hot mouth around my dick.

Valerie headed straight for my balls and took them in her mouth. I looked down to behold two beautiful women working my cock and balls. It was almost like watching a porn movies, but with real chicks. She rolled her tongue faster and faster, and squeezed my shaft harder and harder as it became increasingly difficult to hold my load in. Valerie moved her focus from my balls to my asshole. Then, another big surprise came, Valerie took her middle finger and plunged it into my anus as it was already soaked with saliva. This image took me way over the edge as my face turned red and my toes curled, I shot a hot huge load straight into Gina's mouth.

Valerie moved over to Gina and they swapped my jizz. Some drops flowed out of the corner of Gina's lips and Valerie was quick to lick it up. She then reached over for a swig of beer from a bottle still on the night stand. SThen Gina pushed me over to the edge of the bed. "You can stay and watch, but don't touch. Okay?" I agreed and laid back as I saw an incredibly erotic sight unfold. They two ladies went at it with renewed fervor and an hour later both ladies came from sixty-nining. I applauded them and got up to collect the rest of the stuff.

– Jason... still taking out the trash

She rolled her tongue faster and faster, and squeezed my shaft harder and harder as it became increasingly difficult to hold my load in.

# gianna lynn

I know that I have all the sugar you have been craving... I've been told I have the sweetest disposition, until I start fucking, that is. Then I turn into a savage animal on the loose. And when the fangs come out, there's no stopping my sexual appetite.

I KNOW YOU CAN MAKE ME CUM
